

Privacy statement

General

Beheermaatschappij Jan Zandbergen BV and its subsidiaries find it important to inform you about its data processing. It is important for you to know which data is stored, how this is done and for how long. This statement relates to Beheermaatschappij Jan Zandbergen BV and its subsidiaries, further referred to as “company”.

Which data is processed

We process your data. This includes both company and personal data. It is processed because you use our services or because you completed a contact form on our website. We could process the following data:

- Company name
- Address details
- Name contact
- Company phone number
- Business phone number contact
- E-mail address company
- Business e-mail address contact
- IP address

Why do we require this data

We need the data to meet your request to contact you by phone or e-mail. We can also use the data to send you information concerning prices and/or our products.

The data is also used to complete possible contracts, most of the time for purchasing or delivering goods.

How long do we store the data

We store personal data no longer than strictly necessary to meet the goal(s) we processed the data for. When no contract is realized, personal data shall be destroyed after 1 year.

Sharing information with third parties

We only share your (personal) data with third parties when necessary to meet contractual or legal obligations

Analysing website visits

General data from visits to our website are kept, including the IP address from your computer, at what time information was requested and data sent by your browser. This data is used to analyse visits to our website including click-through behaviour. We use this data to improve our website. This data is anonymized as much as possible and is not provided to third parties.

Google Analytics

We use Google Analytics to analyse visits to our website and the effectiveness of our company's Adwords advertising with Google search results.

The information obtained, including the IP address of your computer is transferred to and by Google to servers in the United States. Please refer to Google's privacy statement for more information. Google Analytics' privacy statement can be accessed there as well.

Google uses the information to analyse the use of our website, to send us reports about our website and to inform advertisers about the effectiveness of their campaigns.

Google can share this information with third parties when legally obligated or when these third parties process the information on behalf of Google. We cannot influence this.

We have not authorized Google to use Analytics information for any other Google services.

Access, change or remove data

You are entitled to access, change or remove your data. To request access, change or removal please send an e-mail to privacy@janzandbergen.nl. We shall reply as soon as possible, at the latest within 4 weeks after receiving your request.

Security

We take the protection of your data seriously. Appropriate measures are taken to prevent abuse, loss, unauthorized access, unauthorized publication and unauthorized alteration of data. Our website uses a safe SSL certificate to protect your personal data.

Should you think your data is insufficiently protected or find any indication of abuse or if you should require more information on how we securely store personal data, please contact us by e-mail on privacy@janzandbergen.nl.
